

Summary

The Utah Department of Transportation (UDOT) will begin a maintenance project on I-80 between Silver Creek (MP 147) and Wanship (MP 153) in Summit County. Construction will include new asphalt and striping on I-80 and bridge deck repair on the Tollgate Canyon ramp.

Project Scope and Schedule

Anticipated project schedule: August 23, 2010 –October 3, 2010

- Aug 23 to Aug 27 – Soft spot repair
- Sep 2 to Sep 13 – Eastbound paving and striping (MP 147.5 to MP 154.8)
- Sep 13 to Sep 16 – Westbound paving and striping (MP 148.5 to MP 152.5)
- Sep 20 – Sep 30 - Shoulder work

During the paving schedule there will be one day work on Tollgate Canyon ramp.

No work performed over the Labor Day weekend starting at Noon on Friday, September 3rd until 6 a.m. Tuesday, September 7th, 2010.

What should travelers and nearby communities expect?

- One lane of traffic in each direction is open at all times.
- One lane will be open at the Tollgate Canyon ramp at all times.
- On Fridays between noon – midnight, all eastbound lanes will be open to accommodate weekend traffic
- On Sundays between noon – midnight, all westbound lanes will be open to accommodate weekend traffic
- Anticipate delays, plan ahead and adjust travel schedules.

Who can I contact with questions?

UDOT values your questions, concerns and feedback. Please contact the public involvement coordinators:

- Mardi Pearson at (801)750-8568, m.pearson@fehrandpeers.com
- Maria Vyas at (801)608-0628, m.vyas@fehrandpeers.com
