

# Renewable Energy Financial Incentives & Tax Credits

Renewable Energy Night – January 27, 2011 – Wanship Fire Station

## **NATURAL RESOURCES CONSERVATION SERVICE** (Craig McKnight, 30 Main St., Coalville, 336-5853)

Programs and assistance for planning and implementing conservation projects on private land.

## **RURAL ENERGY FOR AMERICA PROGRAM** (Roger Koon, USDA Rural Development, 801-524-4301)

Cost-share programs for energy efficiency and renewable energy projects by agricultural producers and small businesses in rural areas.

## **UTAH STATE ENERGY PROGRAM** ([www.geology.utah.gov/sep](http://www.geology.utah.gov/sep), Chris Tallackson, 801-538-5413)

- *Renewable Energy Systems Tax Credit*: State tax credit for residential and commercial renewable energy systems.
- *Utah Home Performance*: Rebates for energy-efficient home improvement  
[www.utahhomeperformance.com](http://www.utahhomeperformance.com)
- *Anemometer Loan Program*: Loans individuals with promising sites an anemometer and the necessary equipment needed to measure wind resources on their land. Applications due March 1<sup>st</sup> (801-537-3365)

## **ROCKY MOUNTAIN POWER** ([www.rockymountainpower.net](http://www.rockymountainpower.net), 800-222-4335, [energy.expert@pacificorp.com](mailto:energy.expert@pacificorp.com))

- *Solar Incentive Program*: Offers customers (business and residential) financial incentives for installing photovoltaic (PV) systems.
- *Energy Efficiency Programs*: Financial incentives for purchasing high efficiency appliances and equipment for your home or business. Many programs for new construction and retrofit projects to qualifying commercial, industrial, and irrigation customers. There are cash incentives for upgrading pumps, water distribution, or motors.

## **QUESTAR** ([www.thermiwse.com](http://www.thermiwse.com), 800-323-5517, [thermwise.administrator@questar.com](mailto:thermwise.administrator@questar.com))

Questar Gas's business-rebates program rewards you for purchasing energy-efficient appliances and "downsizing" energy usage in your business. Website also contains energy conservation tips.

## **INTERNAL REVENUE SERVICE** ([www.irs.gov](http://www.irs.gov))

- *Business Energy Tax Credit*: Corporate tax credits for solar energy, fuel cells, microturbines, small wind-energy systems, geothermal heat pumps, and combined heat and power (CHP) systems.
- *Renewable Energy Production Tax Credit*: Corporate tax credit for electricity generated by wind, closed-loop biomass, and geothermal resources, open-loop biomass, landfill gas, municipal solid waste, qualified hydroelectric, and marine and hydrokinetic systems.
- *Residential Renewable Energy Tax Credit*: Personal tax credit for residential solar-electric systems, solar-water heating systems, fuel cells, small wind-energy systems and geothermal heat pumps.

## **DATABASE OF STATE INCENTIVES FOR RENEWABLE ENERGY (DSIRE)**

([www.dsireusa.org](http://www.dsireusa.org))

Information on state, local, utility, and selected federal incentives that promote renewable energy. Contains links to rules, regulations, and policies for individual states.
